Continuation of Substance of Interview including description of the general nature of what was discussed: As a courtesy to applicant in this pro se application, a call was placed to remind him that the statutory period for reply from the Final Rejection, mailed 2/4/2005, expires 8/4/2005. In order to avoid abandonment of the application, a Notice of Appeal, with appropriate petition for extension of time (3-months, since the shortened statutory period for reply ended 5/5/2005), would need to be filed on or before 8/4/2005. Applicant's attention was directed to page 1200-5 of the MPEP for the proper Notice of Appeal format, as well as the USPTO website, www.uspto.gov, which provides access to an electronic copy of the MPEP.
